

An eye opening dream of Hadhrat Mahdi & Massih Maud about?? nizam-e-jam'at

Hadhur[ؑ] saw a dream in 1893 narrated in Tadhkirah page no 285. He[ؑ] says;

b) A long time ago I saw a dream that I was riding a horse and went towards my garden, all alone. In front of me appeared an army bent upon destroying my garden I felt no fear of them and was certain in my own mind that though alone I was more than adequate for them. They entered the garden and I entered after them and when I arrived inside I saw that they were all lying dead, with their hands and heads and feet all cut off and their skins stripped off. Observing this spectacle of divine power, I was overcome and wept thinking who else would have the power of to do all this? **By this army was meant the people who desired to mislead the members of my movement** and to wean them away from their allegiance and to distort their belief and to cut off the trees of the garden which means my movement. God almighty will demonstrate His power and defeat their purpose and render all their efforts vain. **By their heads being cut off** is meant that **their pride will be broken** and their arrogance and disdain will be trampled under foot. A person's hand is a weapon with which he fights the enemy. The **cutting of their hands** meant that they would be **deprived of all means of fighting**. A person can run away after a defeat with the help of his feet. Their **feet being cut off**, meant that they would have **no means of escape left**. By the **stripping of the skin** was meant that their **secrets will be disclosed** and all their faults and defects will be exposed.
